1 野仏の里
Nobotoke-no-sato
野佛之郷
In Nobotoke-no-sato you will find over 200 old statues of Buddha. Watching them makes you feel as if you traveled to an earlier age.
In 1985, it was designated as one of "Toyama's Best Quality Water Sources". Many people visit to take water from the spring as it has been believed for a long time to have the power to cure all diseases.
